General information for candidates of Gr D Recruitment examination 2017-18

It has come to the notice of The Gr. D Recruitment Board that some people are deliberately spreading rumours or mis-information through the social media about the Recruitment process for the Group D posts.

This is for the general information of all the candidates, who have either appeared in the written examination or the Interview, that this Board has been entrusted with the mandate of recruiting people through an absolute transparent mechanism.

The answer scripts have been scanned and evaluated electronically and provisionally qualified candidates are being called for Interview, on the basis of Merit List, for the purpose of preparation of category-wise Merit List.

Since in the 1st phase, based on the 1st provisional Merit list, sufficient nos. of eligible candidates were not available to fill up the vacancies in some categories, as announced earlier, the Board has decided to revise, inter alia, the cut-off marks of written examination of a few categories and call some more provisionally qualified candidates for the interview in 2nd phase. The objective is to recommend sufficient nos. of eligible candidates to fill up the targeted vacancies based on Merit lists.
